ABOUT MYSELF

I am a young software engineer freshly graduated with a master's degree in Computer Science and Engineering. I found this field to be a perfect blend of my desire to "create/build" and my passion for technology and innovation. I now strive to be part of various projects that allow me to expand my knowledge, either in new areas or by further polishing the areas that I am very familiar with.

WORK EXPERIENCE

01/02/2024 – 30/11/2024 Best, Netherlands
